The Parent Sounding Board is a group of caring parents who meet regularly with administration with the purpose of providing input and feedback regarding district initiatives, learning about information impacting the district, and identifying areas of potential topics of interest. These meetings are open to any parents in the district, however parent representatives for each grade level have been selected to be present at each meeting based on completed surveys. The location of these meetings may rotate. Times have been tentatively set for 6:00 - 7:30 p.m., however may be updated based on the consensus of PSB members.
