

Richfield Basketball

The Richfield Basketball Program is open to any 4th-8th grade student that attends the Holy Hill Area School District. There will be a separate boys/girls team at each grade level (as long as we have enough players). In the event that a large number of students (14+) go out for the team, two teams will be made. We will follow conference rules for making the teams (7th & 8th- will be based on skill level and 4th, 5th & 6th- teams will be split into teams with equal skill representation). Coach and Athletic Director could also decide to have a “rotating format.” In a “rotating format” 10 players would play in each game and the other players would sit out. Coach would rotate who sit out each game.

4th Boys & Girls- Will play in the Fond du Lac Area Basketball League (13 teams). Games are played on Saturdays and teams will practice approximately 2x per week.

5th/6th Boys & Girls- Will play in the FDL (Fond du Lac Area Basketball League) (13 Teams) & the W.D.A.L (Washington Dodge County Athletic League). (4 teams). FDL games are played on Saturdays and W.D.A.L games are played Monday-Friday. Each team will practice approximately 2x per week.

7th/8th Boys & Girls- Will play in the Braveland Conference (15 teams) & the W.D.A.L.(4 teams). Games are played Monday-Friday for both leagues. Each team will practice approximately 2x per week.
